AT THE GOVERNMENT HOUSE AT OTTAWA,
Wednesday, the 8th day of July, 1896.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz.:—The undisposed of portions of the west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior

to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.
